Installation Manual Double DIN Kit

You need a new OEM double DIN panel by Hyundai in order to install a double DIN head unit

1. Remove gear shift panel

2. Remove center console

3. Install metal frame

(Beispielabbildung)

Mount the metal brackets with the double DIN head unit

(Beispielabbildung)

The position of the copper coloured holder can be adjusted to your needs for perfect fit. (see sample)

4. Push double DIN head unit into metal frame

Install everything in reverse order to finish installation

*All installation work must be performed by a qualified professional installer only.
The manufacturer / dealer is not liable for any kind of incidental or indirect damages.*
